

House Resolution No. 4352

Whereas, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals who have contributed to the welfare of this great state and its citizens, particularly its educators; and

Whereas, the members now pause to recognize Lea Trimble, a teacher in the Branson School District for more than forty years, who will be honored for her devotion during an upcoming awards ceremony being held by the Gifted Association of Missouri, an organization dedicated to advancing the interests and opportunities of talented and gifted students in Missouri; and

Whereas, Lea Trimble formally retired recently, but she continues to substitute when the need arises, and she is a ‘teacher request’ favorite; and

Whereas, during her career, Lea Trimble taught music, kindergarten, elementary, and gifted students; and

Whereas, today Lea Trimble serves at the editor of GAMbit, the quarterly publication of the Gifted Association of Missouri, which strives to inform educators, parents, and others about the unique educational, social, and emotional needs of gifted and talented children and the issues which effect their development:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend our most sincere gratitude to Lea Trimble for her years of service to education in Missouri, with our very best wishes for continued success and happiness; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Lea Trimble.
